LaMar's History

Ray LaMar opened the first LaMar's Donuts in a converted gas station on Linwood Ave in Kansas City, Missouri, in 1960. Locals immediately flocked to the homemade donuts and LaMar's Donuts became a Kansas City institution. Lines started forming before 6 a.m., and by closing time more than 11,000 donuts are sold at this single location. The store was known for their fresh, delicious donuts and the staff never said no to a special request.

Today, we have 27 locations in six states: Alabama, Arizona, Colorado, Kansas, Missouri, and Nebraska. LaMar's Donuts have been recommended by Zagat's Survey, the New Yorker and Gourmet Magazine, and was chosen in the summer of 2008 as one of America's five best donuts by AOL Cityguide.
